

Hull and General purpose steel forging

Related Rules/Guidance	Effective date
Pt 2 Ch 1 601. of the Rules	- 1 July 2021 (The date of application for certification of materials and welding or the contract date for ship construction)

○ Reason for Amendments

1. Some chemical compositions of the hull and general steel forging(alloy steel) were not specified.
2. There was a need for a process in which the manufacturer first presented an unspecified chemical composition and had to approve it.

○ Amendments

1. The range of chemical compositions(C, Mn, Cr, Mo, Ni) of the hull and general steel forging(alloy steel) has been newly regulated by reflecting the approval results.
